# Connections

"...for I handed on to you as of first importance what I had in turn received..." I Corinthians 15:1

Take a look at the graphic for the Connections theme: several figures holding hands. But what if that's just part of the picture, with the line actually extending far beyond in both directions? Imagine that, and then imagine this too: these figures linked together not just in a place, but also connected across time, stretching from past to present to future. Perhaps that's a bit much to get out of a simple graphic! But it's not too much to find in the theme of Connections.

The Apostle Paul writes that the Good News he shares is simply the message he has received and knows the importance of passing on - now think of that graphic! - all the way to a community called Hope Church. Person by person, generation by generation, that is the picture: people connected to Jesus Christ by those who have handed on the Good News and a community called to make new connections as we share God's grace with others. So look for yourself in this simple picture - you're there! - and know that God is connecting others into the picture too.

# CHILDREN IN WORSHIP

Children In Worship is a walk-out program for ages three years through 5th grade during the 11:00 a.m. worship service. During worship, children will be invited to come to the front of the sanctuary for "A Word with the Children." From there, Children In Worship leaders will escort the children to the worship centers.

Children In Worship transforms ordinary time and space into sacred time and space. Our children enter sacred time in order to experience and praise God by being with God, talking with God, listening to God, and hearing the stories of God. The special time and space of Children in Worship helps the children bring the stories of God's action in the past and promises for the future into their present experience as they wonder, respond in their own way to the story, and pray together in community.

#### **Ages 3, 4 & 5**

#### **Room 202**

*A parent may be asked to stay with young three year olds until the child is comfortable in the center and is ready for worship*

#### **Kindergarten and 1st grade Room 204**

#### **4th and 5th grades**

# YOUTH GROUPS

Nurture faith. Build character. Create community. Engage in service.

## Fish Club (Middle School)

Fish Club is a youth group experience for the sixth, seventh, and eighth graders of Hope Church and their friends. Fish Club seeks to provide a close Christian community of friends for our middle school students, while forming relationships with adult sponsors in the church. A variety of programming is offered to take a close look at ourselves, our faith, and our world. Service projects are an important part of the group's community ministry as well. Fundraisers enable us to plan some very special events, like retreats, and a trip to the Appalachian Trail. All middle school youth are welcome!

## High Hopes (High School)

High Hopes is a youth group for 9th – 12th graders. There are a variety of social, service, and learning opportunities throughout the year. The activities are designed to build and strengthen relationships among the youth and sponsors as part of a community of faith. There will also be fundraising for a mission trip planned for the summer and service work right here in our community. All high school youth are welcome!

Both groups typically meet on Sunday evenings. Watch for special joint events with First Presbyterian Church & Grace Episcopal Church youth groups. Updated schedule information is available on the Hope Church website. Contact Youth Ministry Director Beth Jarvis with any questions.

# YOUTH CHURCH SCHOOL

## 6th and 7th Grade

**Sundays, twice a month at 11:00 a.m. (leaving with Children in Worship) Library**

This class follows the “Dwell” curriculum, developed by Faith Alive Christian Resources in cooperation with the Children’s Ministry Office of the Reformed Church in America. “Dwell” is a place where young teens and leaders pause to wonder, imagine, marvel, and dive into God’s story. Developed out of a desire to provide children and young teens with less noise and more time to experience God, “Dwell” creates an environment for entering into God’s story, and then living into and living out of it together. This class is led by Beth Jarvis.

## 8th and 9th Grade: G.I.F.T.

**Sundays at 9:40 a.m.**

### Youth Room

G.I.F.T. (Growing in Faith Together) class is a focused time for participants to explore faith in God and their connection to the church and faith. The group often visits other places of worship and ministry. Some might call G.I.F.T. a “confirmation class,” but this is a bit different. Some participants will be led to make profession of faith in Christ at Hope Church, but it’s not required. Each person will sort through that step when the time comes. The broader idea of G.I.F.T. is that it is a unique experience at an important age to deal with issues of faith and life as a part of the church. This class is a two-year experience led by Pastor Gordon Wiersma.

## 10th - 12th Grade: “Unshowered”

**Third Sunday of each month at 9:40 a.m.**

### Garden Lounge

This group meets with Pastor Jill Russell for bible study, fellowship, and prayer. A three-year cycle leads each student through a year of thinking about their faith (theology), exploring how to live their faith in very practical terms (Christian practices), and how to sustain a lifelong commitment to study of God’s Word (Bible study). The approach is interactive and relational. Journal writing, singing together, praying for one another, and study are all woven together in this one-hour gathering that meets September through May. All high-schoolers are welcome, showered or not!
