June 18 – July 21 – August 18

2026 CREATION CARE MINISTRY

SUMMER BOOK READ

Tuesday, June 16

Chapters 1-3

Framing the Discussion

Read as much as you're able and come with a question and/or a comment to pose for the group.

Special Guest:

Harle Battjes-HBPW Efficiency Programs Specialist

Tuesday, July 21

Chapters 4-7

Creating Your Own Conservation Site

Why isn't Tallamy as interested in lawns as most suburbanites? Can my yard actually become part of a homegrown national park? Can native plants and invasives live in harmony? Read as much as you're able and come with a question and/or a comment to pose for the group.

Tuesday, August 18

Walking Tour – Hope College Sustainable Landscape Areas

*Meet on the front patio of Jack Miller-221 Columbia Ave.
